Dear Friends:

As Mayor of the City of Ridgeland, it is my responsibility to be sure that we leverage every dollar possible for the benefit of each citizen in the City. One way of doing that is working closely with Madison County to see that the City receives our fair share of tax dollars that we pay to the county. Almost 40% of the county's ad valorem taxes come from the City of Ridgeland, yet over the last eight years the City has received very little in return to assist us in providing the services we need.

With this in mind, I have committed and am supporting Alderman Gerald Steen for Supervisor, District 3. I've known Gerald for a number of years and worked closely with him as a Ridgeland Alderman, believe him to be a person of integrity and honesty and willing to work very hard to see that the City of Ridgeland receives what we deserve from Madison County.

Please help me in supporting Gerald for this very important Supervisor's position. You may assist Gerald in his campaign by contributing, spreading the word by mouth, putting a sign in your yard, and of course, voting for Gerald on August 2 for Supervisor, District 3.

For more information and/or questions, Gerald can be reached at 601-594-5126, [gsteen@sprintmart.com](mailto:gsteen@sprintmart.com) or P.O. Box 171, Ridgeland, Mississippi 39157.

Thank you very much for your consideration in this matter.

Sincerely,

Gene F. McGee, Mayor  
City of Ridgeland
