

July 2011

Dear Friends:

As many of you know, Republican Gerald Steen is running for District 3 Supervisor in Madison County. I first had the honor and privilege of working with Gerald more than nine years ago, when he was instrumental in Ridgeland's decision to purchase the land that our top-rated school sits on today.

His support of our school did not end at his positive vote. Since Ridgeland High School opened its doors in August of 2002, Gerald has consistently been involved and is an active Booster Club and PTO member who continues to stand strong for our school and our activities.

In my time of knowing Gerald personally and professionally, I have found we share similar philosophies in getting projects accomplished. I discovered that Gerald is a hardworking man of integrity; committed to doing what is right—not most popular. And I have seen firsthand how he is steadfast and unwavering in his decisions.

In Gerald's 14 years as Ridgeland's Alderman-at-Large, I have watched as he has stayed true to his values and gained strong credentials while working hard for the citizens of Ridgeland, and I believe this will make him an effective District Supervisor.

That's why I am supporting Republican Gerald Steen in his candidacy and ask that you will join me in voting Gerald Steen for District 3 Supervisor in the Republican primary August 2.

Best personal regards,

Lee Boozer  
Principal
